How to Watch Video Playback on the SD Card Via CEIBA II

- 1. Insert the SD card into your PC.
- 2. After you have downloaded the CEIBA II software on your PC, open the program.
 - Select Type as "Local"
 - Username is: **admin**
 - The password can be left blank
 - Hit OK.

3. After login, double click the serial number on the left. You will see a calendar below. Double click the specific date on the calendar to view video events from. The video progress bar will display.
